## Summercourt Fair Day

A reminder that the school will be closed next week on **Monday 25th September**. Children are to return to school on Tuesday 26th September. Thank you.

## Football Club

An early announcement that Football club will be cancelled on **Monday 16th October**. Please make arrangements for your child to be picked up at normal time. Thank you

## Greenhouse Delights

Fruit and vegetables have been flourishing in our greenhouse recently! Much to the children's delight. Phoebe and Jack have been busy gathering all the produce and taking some photos.

## Non - School Uniform Day

Don't forget that next week we will be having a non-school uniform day on **Friday 29th September** for a donation of £1 which will be going towards the purchasing of new books for the school. We will also be having a book sale on the day too.

## Parking

Parking outside of the school has become a concern again at drop off and pick up time. We are regularly noticing cars parked in the bus stop and on the yellow zig zag lines. In the interest of children's safety please can we ensure that **no one** is parking in the bus stop, on the zig zag lines or double parking outside of the school. If you're unable to get parked directly outside of the school, there is plenty of parking available further up the road. We thank you in advance for your cooperation in this matter.

# Reception and Year 6

Health booklets were sent home earlier this week with all children in Year R and Year 6. Please ensure the form on the front of the booklet is signed and returned to school. If not, your child will **automatically be screened** for all the tests stated on the front of the booklet. Thank you.

## Lego and Literacy Fun

Year 1 and Year 2 had lots of fun in their first Lego and Literacy club after school this week with Mr Parham. They made Ping Pong Pig inspired models. We think they look fantastic, well done to them all.

## The race to a million words

The race is on! We have a new Accelerated Reader Word Count board set up opposite the IT suite. All children who are AR readers will have their name on the board and will be moved along to each of the checkpoints once they have reached a certain word count. The children are excited to be competing against each other to see who can reach a million words. We have some children who are already on the 10,000 words marker. So, who will be first to reach a million words? We'll keep you updated! Happy reading everyone.
