

Autumn Term Class 2

Literacy

Reading:

Phonics and decoding. Children will learn different spellings (graphemes) of the same sound (phoneme) (e.g. the /ee/ sound can be spelt ee, ea, ey, or y). Children will also learn to read multi-syllable words.

Comprehension: Children will learn to retrieve and recall information from a text. They learn to explain the meaning of words in contexts and to order a sequence of events in a narrative.

Writing:

The Place Value of Punctuation and Grammar – Nouns, verbs and single clause sentences.

Non-chronological reports based on dragons

Narrative based on Jack and the Beanstalk

Class Books: Six dinner Sid, Sharing a shell and a variety of traditional stories.

Science

- Identify and name everyday **materials**, knowing the difference between an object and the material it is made of.
- Describe simple physical properties of a range of everyday materials.
- Compare and group materials on the basis of the simple physical properties.
- Carry out investigations on materials using scientific methods and skills.
- Identify and compare the suitability of a range of everyday materials for particular uses.
- Investigate how materials change shape.
- Observe and describe weather associated with the seasons and how day length varies across 4 seasons.

Maths

- Read and write numbers to 20 (Y1) and to 100 (Y2).
- Count, compare, order 1 and 2 digit numbers, including placing them on a blank number line.
- Represent and partition numbers in different ways.
- Add and subtract numbers:
 - 1 digit and 1 digit (including adding 3 single digit numbers)
 - 2 digit and 1 digit numbers
 - 2 digit and multiples of 10
 - 2 digit and 2 digit numbers
- Solve problems involving numbers, place value, addition and subtraction.

Other curriculum areas

History: Learn about The Great Fire of London using different sources. How does the event effect the way houses are built designs today?

Geography: Local area – Where do we live?

Art/DT: Creatively design and make a Tudor house using a range of materials. Evaluate and develop practical and artistic techniques. Drawing skills. Draw lines and shapes. Explore spirals. Mix and blend colours.

ICT: Internet safety: Use technology safely and respectfully. Children learn to recognise technology around us and how to use a computer responsibly.

Music: Explore Old Style Hip-hop and Reggae music. Learn how pulse, rhythm and pitch work together. Learn to sing Christmas songs.

RE: Who is Muslim and how do they live?

Why does Christmas matter to Christians?
INCARNATION

Jigsaw (PSHE): Puzzle 1,2: *Being Me in my world* and *Celebrating Difference*

P.E: Fundamental skills , Gymnastic, swimming and dance
