Friday 5<sup>th</sup> September 2025

Dear Parents and Carers,

We hope you all had a lovely summer break and that you managed to spend some time together as a family during August. It has been wonderful to hear the classrooms full of pupil chatter and to see them enjoying being back in school with their friends and the school staff.

Our new EYFS pupils have made a great start to their primary school journeys alongside our additional new pupils in other year groups who started this week with us.

Pupils will be coming home, next week, with their class curriculum maps for the Autumn term. This document details the intended learning for the Autumn term which has been carefully sequenced and planned for each specific subject area. Class 1 will continue to have an overarching project question each half term to support the learning taking place. Class 2, 3 and 4 will no longer have an overarching project inquiry question. We have refined our curriculum to include subject inquiry questions which will be introduced at the start of each learning session. Our aim is to continue to enhance the Summercourt curriculum provision and provide opportunities for pupils to deepen their knowledge and understanding in each subject area.
