Friday 11th January 2019

Happy New Year everyone! I hope you have had a lovely holiday with your family and friends.

I'm really looking forward to a new and exciting term, we have some fun activities planned for the children within their classes and across the whole school.

Clubs

All of our After School Clubs for this coming half term will begin **week commencing 14th January**, letters were sent home on Wednesday with details about the new clubs. If you haven't already, please send the reply slips back asap, as some clubs have limited numbers.

Dance Club

The after school dance club which is provided by an outside provider will be running again from Wednesday 16th January. This club will incur a fee payable in advance half termly.

Unfortunately the club will not be able to run unless there are sufficient numbers.

School Census Day Menu

Thursday 17th January is Census Day for schools. This is an important day when the Government takes a snapshot of the school's information which affects how much money we receive in our annual budget.

Additional funding will be made available to our school for every child in KS1 (R, Y1 & Y2) that has a universal free school meal on **Thursday 17th January**.

It is very important that your child attends school on this day.

To encourage as many children as possible to eat a school meal on Census day, we will be having a Build A Burger theme menu.

If your child would like a dinner on this day it is free to all KS1 children and £2.30 for our KS2 pupils.

**BUILD

“Hamburgers got their name from Hamburg, Germany where a cut of beef called the Hamburg steak is from. This evolved into what we now know as the hamburger”

Chartwells

Your School Needs you....

..... or rather your unwanted Christmas presents and/or goodies!

Now that all is returning to normal routine following the festive period, some may be considering just what to do with those well intended but unwanted presents. It would be great if you would consider donating them to the school for use at future events as raffle prizes etc.

In fact, one possibility, should we be fortunate in receiving a good number of items, is to hold our own "January Sale", giving all a chance to bag a bargain!

Monies raised will be used for providing additional equipment both within school and the ongoing garden maintenance project.

Should you have any items which you feel may assist our efforts and which you are happy to donate, then please bring them into the school office and leave at Reception with Mrs Rogers. Thank you in advance.
