## Cornwall County School Games

Huge well done to all the children that took part in the Cornwall County Touch Rugby games last Friday.

They competed against schools that had qualified from all over Cornwall and we are immensely proud to announce that we came 4th which is a huge achievement.

We hope you are as proud of yourselves as we are!

# New Parent Portal

One of our exciting changes for this year has been the implementation of a new school administration system called 'Arbor'. One of the key reasons we decided to update the school system is because the new system provides a 'Parents Portal'.

Instructions on how to sign-up have been provided in the email that was sent out earlier this week.

We advise that you set up your account immediately as we have already started sending messages on this new platform.

Accounts can be merged if you have more than one child in our school so you only require the one logon.

Please ask the school office for details if you have not received them.

Also, please ensure that you keep your login in and password safe as this is private to your account.

A guide to using the portal can be found at: <https://support.arbor-education.com/hc/en-us/articles/212097029-The-Arbor-Parent-Portal-quick-introduction>
