World Book Day & Extreme Reading Challenge

World Book Day takes place on **Thursday 7th March 2019**, and we would like to invite you to join us in helping your child to make the most of this special occasion. As is tradition, children (and staff!) have the opportunity to come to school dressed as their favourite book character. There will be a prize for the most imaginative costume and lots of exciting activities will take place across the day.

Extreme Reading Challenge

Do you love to read in weird and wonderful places?

Do you have any unusual reading buddies?

Do you set your own reading challenges or spend time creating the ultimate reading den?

We want to know!

Your challenge is to have your photo taken of you reading somewhere extreme (or at least very unusual!). You can print the photo and bring it into school or email it to **secretary@summercourtacademy.org** by **Monday 4th March**.

You will be rewarded with a certificate when you bring your photo into school to show how 'extreme' you have been! A selection of your photos will also be used to create an interesting display in classrooms and corridors.

Obviously, we encourage you to stay safe when participating in this challenge (please no pictures of you reading in the jaws of a crocodile or in the middle of a road!).

We are really looking forward to seeing the extreme places you have read and the passion that you have for reading.

Congratulations

Congratulations to all the children that took part in the Rugby Tournament at Treviglas College and the Cross Country event at Newquay Tretherras.

We are all super proud of them as the Cross Country runners are through to the mid Cornwall semi finals and the Rugby Team for getting through to the County finals already. Especially as they received some fabulous comments about the great sportsmanship that they showed.

We wish both groups of children good luck in the next rounds.

Big Battery Hunt

We are taking part in the Big Battery Hunt again, which aims to recycle as many batteries as possible.

A battery collection box will be sent home shortly with each child.

"Under the supervision of an adult, collect as many used batteries as possible and put them in our recycling box. Why not ask your parents, relatives, neighbours, or even local shops, libraries or community centres?"

Nansleden School

Excitement is building as the school rapidly takes shape, and a topping out ceremony was held to mark the 14-classroom facility hitting the high-point in its construction. Residents of the new community and local children visited site for the event and joined representatives from the Duchy of Cornwall, contractor Midas Construction and Aspire Academy Trust, who will be running the school. In addition, 27 roof tiles decorated by all the schools managed by Aspire Academy Trust in Cornwall were on display.

Special Lunch Menus

Tuesday 5th March we will be having a special Cornish themed lunch menu and then on **Thursday 7th March** there will be a World Book Day themed menu.

If your child would like a dinner on this day it is free to all KS1 children and £2.30 for our KS2 pupils.

Pasties were taken down the mines by the adults and children who worked there; the shape and size made them ideal for carrying. It's distinctive D shape with the crimp acting as a handle, which was discarded to prevent contaminating the food with grubby, possibly arsenic ridden hands.

All Proper Cornish we are passionate about quality pastry. Mixed with great tasting ingredients, made properly in Cornwall for people who love food.

We are passionate and honest about where our ingredients come from. At Proper Cornish, we believe in supporting our local farmers. Our asparagus comes from Hazele, courtesy of Trevor Goldworthy's family run farm, our potatoes come from that generation farmer Chris Dabbin from Far and our onions are grown by Anthony West of Tropicall. Cornwall grows some of the highest quality produce in the world, so why go anywhere else?
