Friday 17th January 2020

CLASS 1

A Martian came to visit class 1 and 2 this week whilst we were learning to brush our teeth with the free resources from Colgate! We taught her how to brush all of our teeth and when and how long for.

CLASS 2

This week, class 2 have been learning to recognise equal groups and to show equal groups using objects, drawings, repeated addition and multiplication number sentences. Year 1 also learnt to represent 2 digit numbers using various apparatus and to show how many tens and how many ones a number has.

CLASS 3

Class 3 have been learning more about plastic pollution this week and have written amazing, informative information pages about what we can do to help stop this growing problem. We have also explored how one teenager has been trying to change the world after learning about the impact of global warming- Greta Thunberg. In science, we have learnt more about how plants reproduce by dispersing their seeds. Our 'fruit of the week' was a pomegranate, which most of us tasted and really enjoyed!

CLASS 4

Class 4 have finished a busy week with peer reviews of our rewritten and uplevelled versions of 'Charge of the Light Brigade'. We are also embarking on a study of Cubism and looking at one of the most 'powerful' artists of the 20th Century: Picasso.

FOREST SCHOOL

The Forest school provision has started for Class 3 and will continue until Monday 2nd March 2020.

Please send children to school with waterproofs and wellies. Thank you.

WORLD BOOK DAY

On Thursday 5th March we are inviting all children to come to school dressed as their favourite book character. We would love them to bring in a book to read from home during the day.

END OF TERM SCHOOL DISCO

We will be having an end of term whole school disco on Thursday 13th January from 6.00-7.30pm in the school hall. Tickets will be available at £2 per person. Further details will follow shortly.

ONLINE SAFETY TALK

Our IT Aspire Lead will be coming into school to run an online safety talk for parents and carers on Tuesday 21st January 2020 from 2:30pm-3:10pm, anyone interested is welcome to attend . On this day during the afternoon there will be an informal talk to all KS2 children about online safety also.

FREE PARENTING WORKSHOPS

We are hosting a 4 week free Family Learning Workshop available to all our parents. Please join us on Mondays from 9am-10.30am. Any childcare costs incurred for attending the course can be claimed back, see the school office for a claim form. Please contact Becky Nugent in the school office on **01726 860551** to get your places booked. The next workshop will take place on January 20th 2020.

Reading

“Today's discussions have helped me to understand how children read and I feel more confident in being able to help my child with reading.”

Writing

“I have gained loads of information to help me support my children with improving and developing their writing skills.”

Maths

“Such an excellent course, with some great resources to take away with us. We have learnt lots of ideas on how to make maths fun.”

Computers

“I have gained a shared hobby and interest with my son. He has now learnt how to use the laptop responsibly because of this course.”

“We are always delighted with the response we receive from both parents and children after we have hosted courses/workshops provided by the Cornwall Adult Education Service.

The Family Learning tutor is approachable and friendly and is able to communicate potentially difficult topics to parents with ease. Some of our parents find it difficult to engage but the responses we have to the invitations we send out is usually really positive.

The courses help to raise awareness of topics such as literacy, numeracy and family relationships. The children enjoy attending the workshops with their parents and the improvement in their self-esteem is evident.”

Jo Davidson,
KS2 SENDCo at Penryn Primary Academy
