

Summerville Academy News

Friday 6th March 2020

CLASS 1

As part of our topic 'Where does my food come from?' Class 1 had an amazing time on a trip to Callestick Farm. We saw new born calves, had a fun trailer ride to see the cows being milked and we also saw how milk is used to make ice-cream. The children especially enjoyed tasting the ice cream after lunch! As always, the children behaved impeccably and we are super proud of them all.

CLASS 2

This week we have been learning about the Amazon Rainforest. The children have been enjoying learning the story of the kapok tree and understanding what deforestation is.

Class 2 have also earned themselves a new treat and we will be having a party on Tuesday 10th March. Please make sure your child/children come to school in their school uniform as usual but please pack some disco clothes for later in the day.

CLASS 3

What an amazing, busy week Class 3 have had!

As part of our topic "Can one person change the world?" we have started the process of designing t-shirts with an ethical message. We had a very special visitor, JoJo, who runs her own printing company and who will be turning our designs into real products. She kindly brought in the machinery she uses to produce printed t-shirts and mugs. It was incredibly informative and we found it inspirational to see how our designs will be transferred on a real t-shirt.

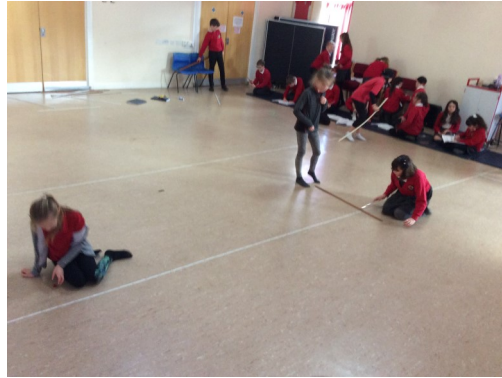

World Book Day was a real highlight of the week. Thank you so much for all the hard work that went into the children's costumes! Class 3 love reading and we really enjoyed sharing all of our favourite stories.

The fun continued today as we had another special visitor - Mandy James, a published author. She spoke to us about how she became a writer, how she comes up with her ideas and how important it is to read! All of the children were incredibly inspired by Mandy's enthusiasm for writing and are very keen to do more creative writing themselves!

CLASS 4

Class 4 have had a busy week exploring potential and kinetic energy, creating videos for World Book Day (watch this space) and we've started a new class text.

INSET DAYS

We will be closed on the following Inset Days for 2020/2021:

**1st June 2020, 23rd July 2020 , 3rd & 4th September 2020,
