Class 2 Trip

Class 2 had an amazing trip to the National Maritime Museum on Wednesday.

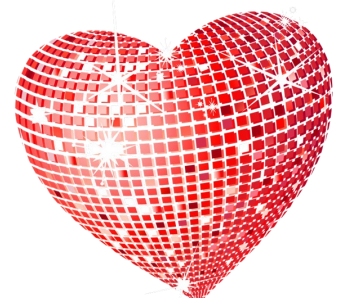

They had a chance to explore many fun activities in the museum and learned about Sir Francis Drake, a Tudor explorer. They also made their own Tudor ship and then had a race!

Thank you to all the staff and volunteers who helped make this day out possible.

Valentines Disco

We will be having a school Valentines Disco on **Wednesday 13th February** from 6pm till 7:30pm.

Attendance

As mentioned in previous Newsletters we have an obligation to make parents aware if there child's attendance drops below 95% as this is classed as Persistent Absence.

We will be monitoring all of our children's attendance next week as it is something that we do every half term.

If your child's attendance has dropped below the national school target of 95% we will send home a letter making you aware of this. We are aware that for some of the children their absence is due to illness and whilst this is classed as an authorised absence it does still affect their overall percentage. Please be assured we are not questioning why they have been absent from school, the first letter we send is purely to inform you that your child's attendance percentage has dropped below 95% and what it currently is.

Children who frequently miss school often fall behind. There is a strong link between good school attendance and achieving good results.

Summencourt Play Area

Summencourt's School Council children have been invited to the official opening of the new Summencourt Play area on Thursday 14th April at 2:45pm.

If any parents have younger pre-school children and would like to attend then please feel free to come along and join us.

Cally and Tia's super top tips on how to be safe on the internet

How to stay safe on the internet !!!

Do you know how to stay safe on the internet?
Read this and you will!

On the internet people can say some horrible thing but you should not be mean back.
Why not try to encourage them to be friendly instead!?

Step 1:

Do not give away personal information like you address, phone number, age, name school or work .

Step 2:

DO NOT send pictures of your face and other parts of your body!!!

Step 3:

DO NOT believe everything on the internet as it could not be true !!!

Step 4:

Don't put videos and photograph online that you don't want everyone to know about.
Once you post something on the Internet it can be shared all around the world!

Step 5:

never download a app alone. Ask your parent or guardian for permission.

Step 6:

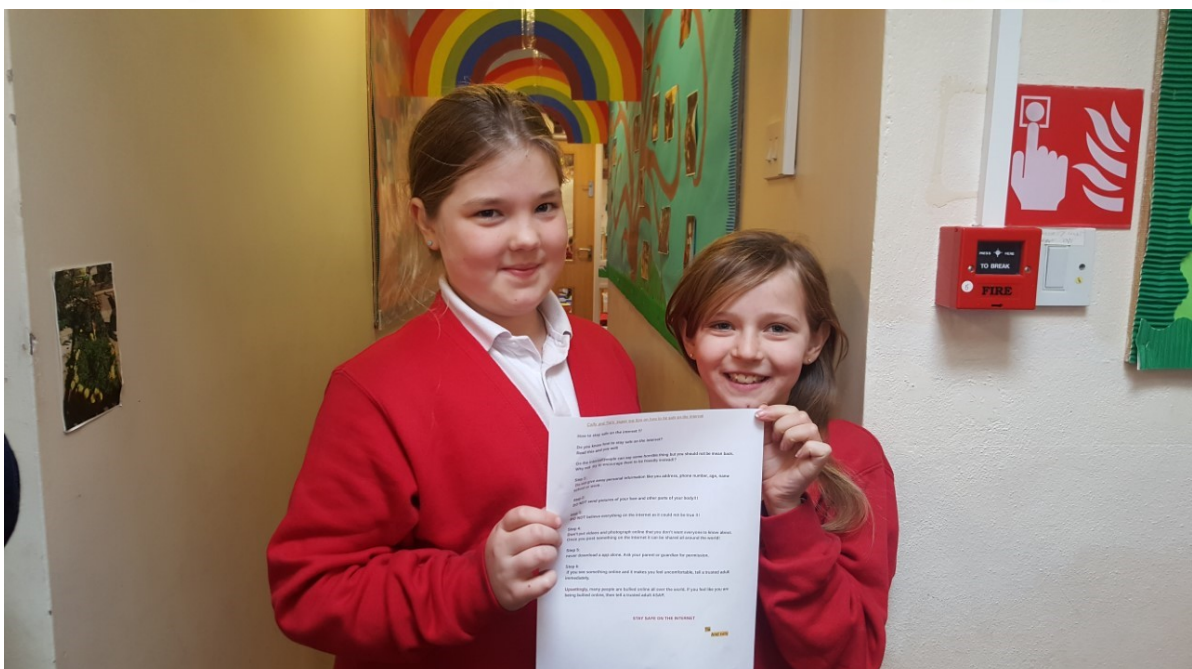

if you see something online and it makes you feel uncomfortable, tell a trusted adult immediately.

Upsettingly, many people are bullied online all over the world. If you feel like you are being bullied online, then tell a trusted adult ASAP.
