### **Message from the mental health support team: online workshops**

Please see attached details of Parent/Carer Workshops which are set to run from September 2025. These are one-off, one hour long, online workshops with our Mental Health Practitioners. These are open to everybody; people do not need to have a mental health need to join. Due to the success of previous groups we have decided to run them again.

Parents/carers from your school can sign themselves up with the links within the poster.

A Teams link will be emailed to parent/carers from MHST for each workshop prior to the workshop taking place.
