We monitor the impact of this training by liaising with staff to see how they feel the training has impacted on their practise, learning walks.

Partnerships with other schools and how we manage transitions:

We work with a number of schools in the area in the following ways:

- ✓ Heads of Schools meetings
- ✓ SEN reform group meetings
- ✓ Transition to secondary school: planned transitions, regular communication with them, opportunity to attend summer activities.
- ✓ Academy trips, camps and sporting events
- ✓ Moderation meetings
- ✓ Learning walks in other schools

We ensure that the transition from Nursery to Reception is smooth by having regular discussions with the pre-school and Reception. Children and parents have opportunities to look around the school before the child is due to attend, transition days are planned into the school calendar.

We support the transition between classes and teachers by planned transition days, regular opportunities for children to speak to other members of staff in school through clubs, assemblies, playground duty and when moving around the corridor. Extra transition times planned if necessary.

The transition from year 6 to secondary school is supported through planned transition days, visits from the secondary school to our school, SENCo support in the Autumn term by visiting the secondary school. Transition day for SENCo to share SEN with the Secondary Schools.

For children/young people with SEN, we also inform the school about individual children's needs, plan extra opportunities for more visits or more transition days if needed, create an All About Me to help the child to understand their new setting.

Parents are included in this process through voicing any concerns they might have, supporting them in the application process and how to refute given school placements.

Ongoing development:

We work hard to ensure that any areas of support for our learners that can be improved are identified and that strategies are put in place to make those improvements. We do this through our Aspire Development Plan, which includes our Hub development plan and SEN Development/Action Plan. This can be found on the school website.

An Aspire SEN reform group meets throughout the year to discuss and make changes to SEN provision to ensure that it is constantly being assessed and refreshed if needed.

Our complaints procedure:

Anyone wishing to make a complaint with regard to SEN support and provision should contact the Head of School Caroline Wood.
