

Summencourt Academy News

Friday 7th February 2020

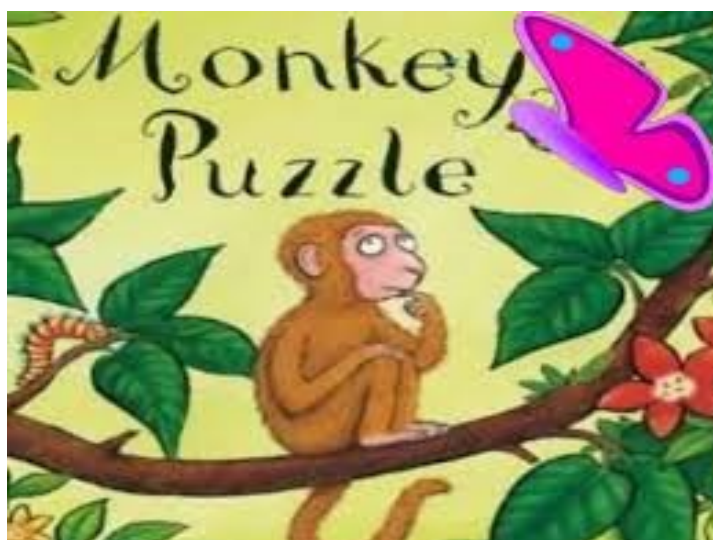

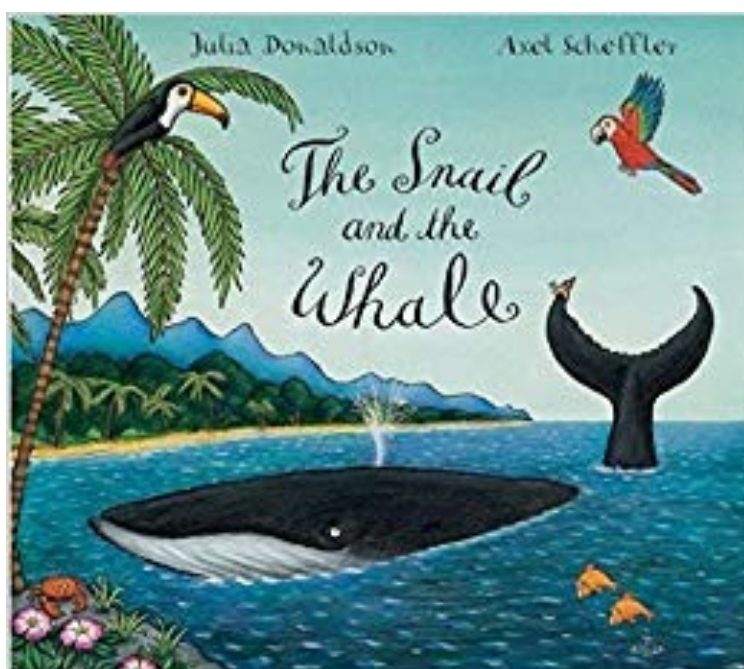

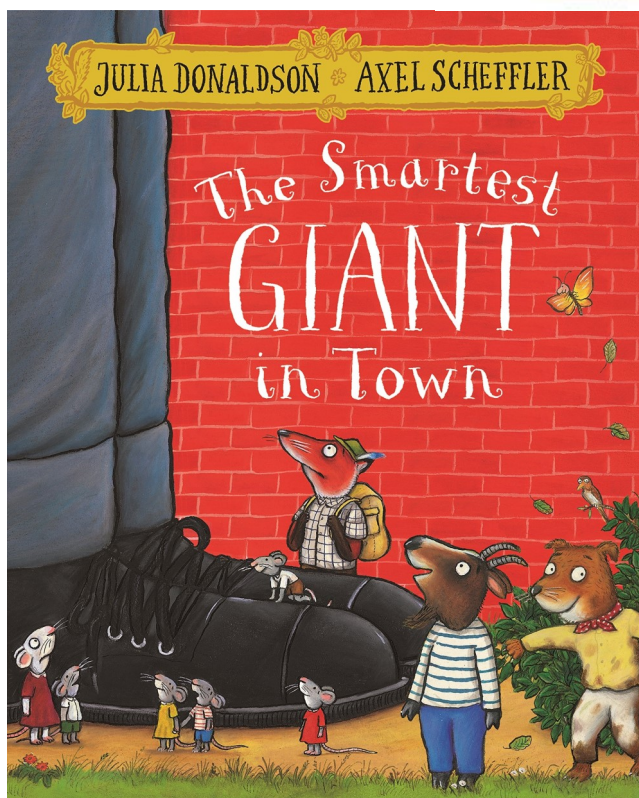

CLASS 1

Class 1 have been busy this week painting our magic train ride pictures, in maths we have been using pennies to buy things up to the value of 10p. We created simple pattern work. We have also had lots of fun using the apparatus in PE.

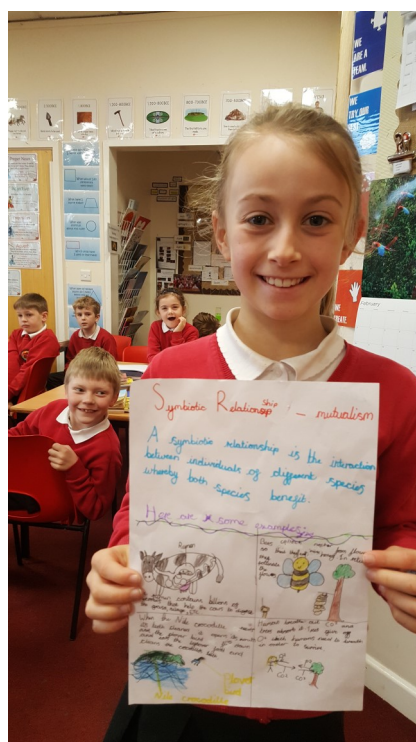

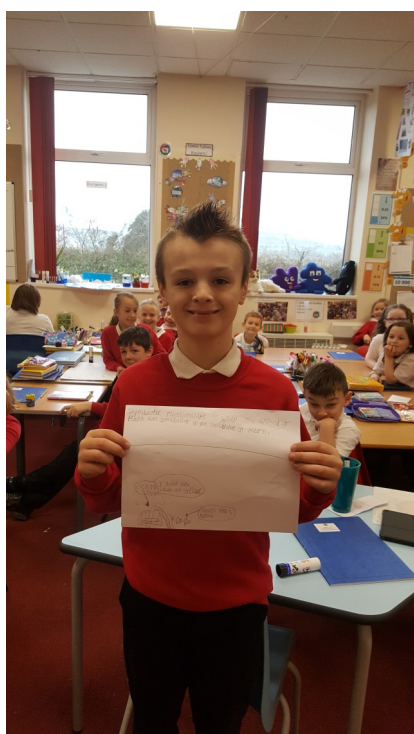

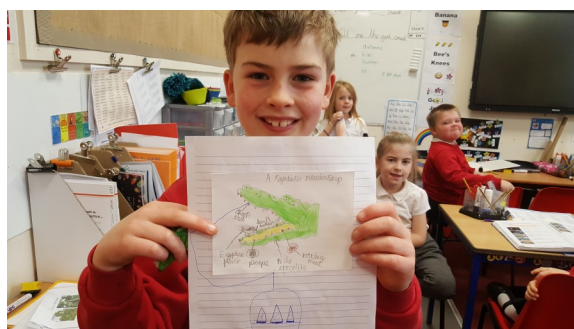

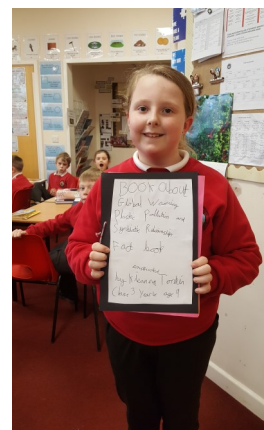

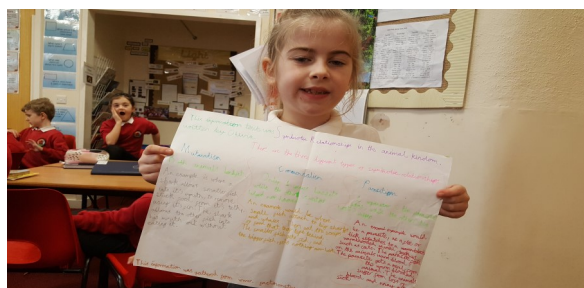

CLASS 2

This week, class 2 have been enjoying reading many stories by Julia Donaldson. The children loved to identify rhyming words and joined in with repeating patterns in each story. They've also recognised many animal facts that they have learned so far in the stories. They are now planning their own animal stories with a repeating pattern to tell next week.

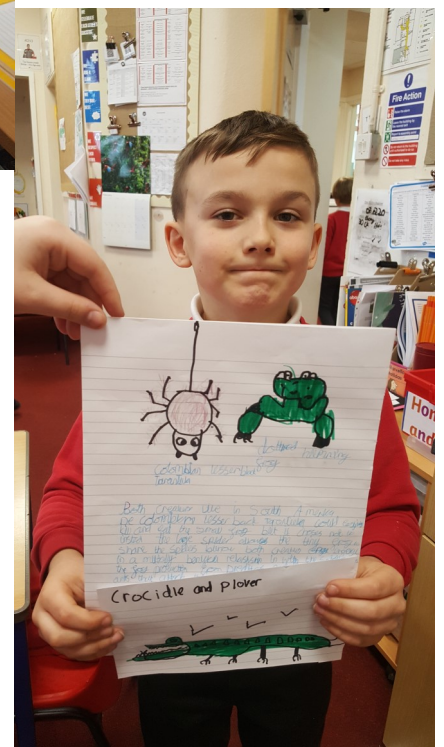

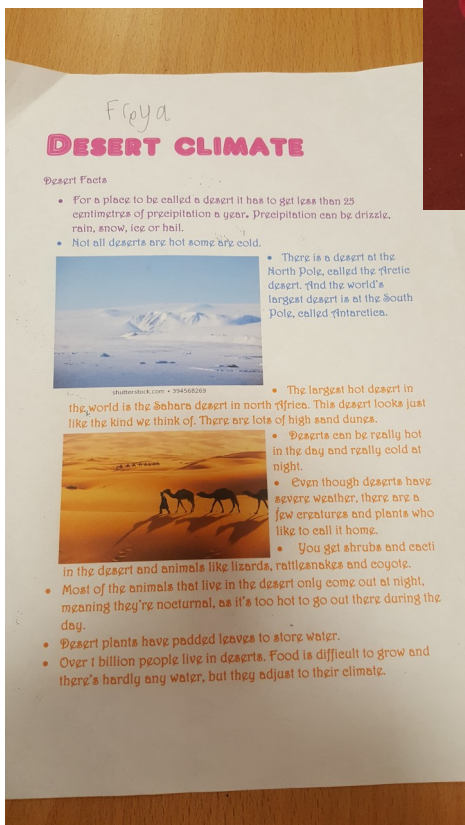

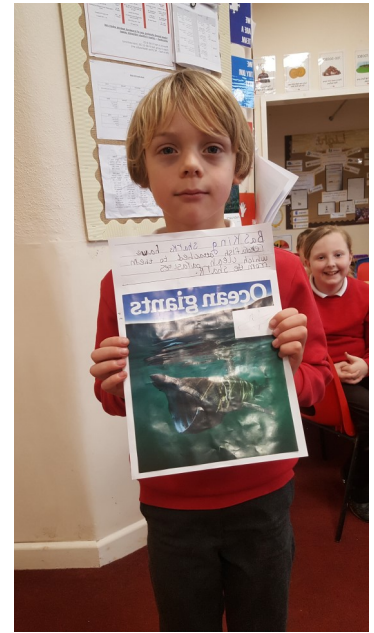

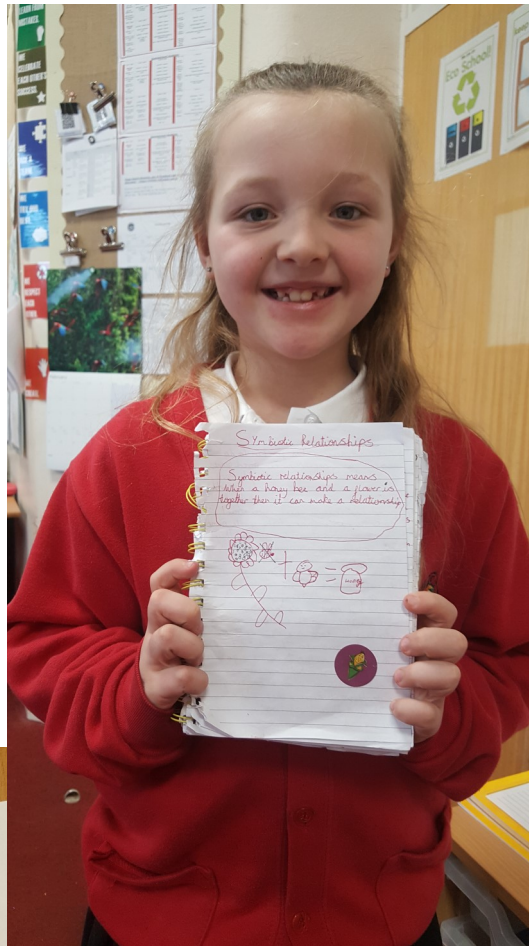

CLASS 3

This week, Class Three have been learning about Martin Luther King and his fight for equality. We were shocked to learn about segregation in America and how badly people were treated just because of their skin colour. After listening to his famous 'I Have a Dream' speech, we thought about our own dreams for a better world and then wrote our own versions. We have continued to learn about environmental causes and what we can do to help protect our planet. Lots of us decided to complete additional homework about symbiotic relationships in the animal kingdom. Ruan even created a model crocodile with a little Egyptian Plover bird perched on his teeth!

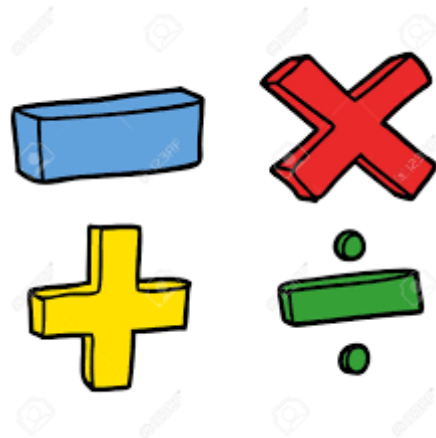

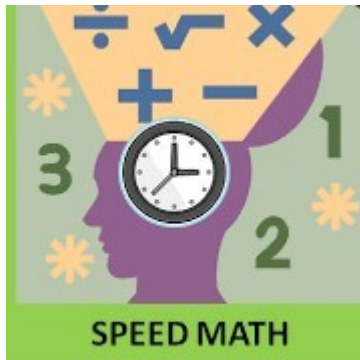

CLASS 3

CLASS 4

Class 4 have enjoyed a morning of 'speed arithmetic', where the children in Y6 were able to spend five minutes each with children in Y5, and guide them through any misconceptions or even new areas of learning.

FOREST SCHOOL

Please note due to unforeseen circumstances there will be no Forest school on Monday 24th February after we return from half term. We will resume for the last session for Class 3 on Monday 2nd March 2020.

FREE COURSES

For parents & carers of children upcoming Courses at Summercourt Academy

We will be having an end of term whole school disco on Thursday 13th February from 6.00-7.30pm in the school hall. £2 per person, no tickets will be issued, pay on arrival, snacks /refreshments will be available included in the ticket price.

ASSEMBLY INVITATION

We would like to invite parents to come and join our class assemblies on the following dates:

Class 1 and Class 2:

Tuesday 24th March at 2.30pm

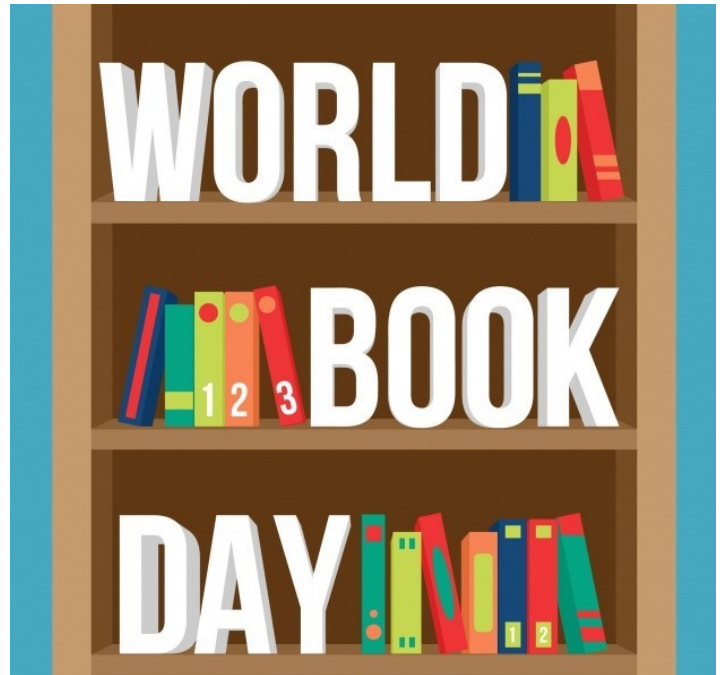

Class 3 and Class 4:

SCHOOL FOOTWEAR

Can you make sure children come in to school in the correct footwear, no trainers, canvas shoes or boots please. If you are unsure please see our uniform policy on our school website for guidance, thank you.

https://www.summercourtacademy.org/web/school_uniform/227237

FREE PARENTING WORKSHOPS

We are hosting a 4 week free Family Learning Workshops available to all our parents. Please join us on Mondays from 9am-10.30am. Any childcare costs incurred for attending the course can be claimed back, see the school office for a claim form. Please contact Becky Nugent in the school office on **01726 860551** to get your places booked. This week we have emailed out to all our parents the list of subjects available , paper copies are also available from the school office.

Reading

"Today's discussions have helped me to understand how children read and I feel more confident in being able to help my child with reading."

Writing

"I have gained loads of information to help me support my children with improving and developing their writing skills."

Maths

"Such an excellent course, with some great resources to take away with us. We have learnt lots of ideas on how to make maths fun."

Computers

"I have gained a shared hobby and interest with my son. He has now learnt how to use the laptop responsibly because of this course."

"We are always delighted with the response we receive from both parents and children after we have hosted courses/workshops provided by the Cornwall Adult Education Service.

The Family Learning tutor is approachable and friendly and is able to communicate potentially difficult topics to parents with ease. Some of our parents find it difficult to engage but the responses we have to the invitations we send out is usually really positive.

The courses help to raise awareness of topics such as literacy, numeracy and family relationships. The children enjoy attending the workshops with their parents and the improvement in their self-esteem is evident."

Jo Davidson,
KS2 SENDCo at Penryn Primary Academy
